

Small Scholars Preschool Cherry Tree March 2009 Newsletter

Happy Birthday, Dr. Seuss! This month our unit of study is Transportation. Also, since Dr. Seuss' birthday is March 2, the first week of March we will share some Dr. Seuss stories and celebrate with a spirit week. Please refer to the theme calendar for the spirit topics.

Universal Pre-K Small Scholars will partner with Jefferson County Public Schools beginning this fall to begin offering Universal Pre-K. In order to enroll in the Universal Pre-K program, children must be 4 by August 31, 2009. Please pick-up a packet if interested in enrolling. We will also be hiring a teacher and an assistant. Anyone interested, should contact Traci. These will be full time positions.

Pre-K Screening On Monday, March 23, Jefferson County Public Schools will be conducting their Pre-K Screening. This will be held at North Jefferson Elementary School from 9:00-2:00. Parents of students going into Pre-K in the Fall, should plan on attending this free screening. If unable to attend, there is also a screening scheduled for Saturday, March 21 at the Martinsburg Mall from 10:00-3:00.

Parent Conferences/Progress Reports Progress reports will be sent home on Friday, March 6. Parent/Teacher conferences will be held the week of March 9. Please sign-up for a conference.
